

**LPR Cup**

9.s05.epilogue

## Hint 2

As you continue to observe the shimmering lights of the lanterns and their methodical changes, you notice that some of the combinations actually carry a clear and understandable meaning.

And despite the great distance between you and those who create these messages, your heart feels warmer.

The main thing is to know where to look.

[A look through the telescope.](#)

[Then, the electrical circuit on the desk.](#)
